

COUNTRY VETERANS GOLF ASSOCIATION (Inc)

Minutes of Delegates Meeting

Tuesday 8th September 2020

Donnybrook Golf Club

Attendance

30 members present and 10 apologies

Minutes of previous Meeting

One change was made to the distributed minutes. For the motion to consider amending Clause 7 of the By-laws the seconder should have been Barry Bastow and not Greg Bell.

Motion that the minutes be accepted. Moved by John Culverston and seconded Frank Colyer

Motion Carried.

Treasurers Report

A financial report was tabled and the Treasurer reported that the expectation is for a very small deficit or very small profit by the end of the year. Membership was down from 570 last year to 544 this year which explains the possibility of a slight loss over the year

Motion that the report be accepted. Moved by John Beales and seconded Steve Jolly.

Motion carried.

The President expressed a vote of thanks to Dave Dawson for his tireless efforts.

Metro Vets Report

- City Vets have discussed inviting the Country Vets Members to join them on their Mid-West Golf trip in 2021.
- They are developing/upgrading a new web site which is aimed at making on-line payments.
- City Vets have been invited to join Country Vets at our Walpole and Denmark events later this year.
- City Vets have adopted our custom of honouring recently passed members with a minutes silence at their AGM.

General Business

1. Tim Hunter have arranged for Country Vets to have a game at Albany on the Thursday following the Monday event at Walpole and the Tuesday event at Denmark. He needs to get firm

numbers if he is to proceed with the arrangements. Could delegates get back to Tim if any of their members want to take up the Albany offer.

2. Please start considering positions on the Committee and also club Delegates for next year. Committee positions need to be filled at the AGM.
3. Please remember that nominations for next year are due by 20th January 2021. This is especially important as the first event at Capel is scheduled for 1st February.
4. Tim presented a draft schedule for our 2021 events. Clubs are encouraged to think carefully about their events and try to achieve a more uniform schedule next year. This is especially important due to the withdrawal of Binningup, Balingup and Pemberton (Likely).
5. Gus Miles raised the issue of changing the world-wide golf handicapping system which has been adopted by Golf Australia and is used for our Vets games. Apparently he, unlike almost every other golfer, was not able to play to his reduced handicap at Donnybrook.
